Re: The 630 Challenge

We need to spend more time in the precious Word of our Lord. The translators of the NIV version of the Bible have said, that they believe the Bible contain the devine answer to the deepest needs of humanity, that it sheds unique light on our path of life in a dark world, and that it sets forth the way to our eternal well-being. It says in Ecclesiastes 3: 11 that He set eternity in the hearts of men. That if you know where you will spend eternity, then you can learn how to live day by day. I truly believe this.

The 630 Challenge is a wonderful part of Encourage Men To Pray Ministries. It set forth a plan whereby you can receive a massive amount of scripture on a daily basis. You read or listen, as I do, to 10 chapters a day, six days a week. This allows you to go through the New Testament in a month. Rick and I “encourage” each other several times weekly, to continue. It is a “challenge” to keep up on a daily basis because there are always the things that pull you away. But my brothers, when you press on day by day, the Precious Holy Sprit begins to guide you in ways you can’t imagine. You begin to understand that you were created and given special gifts and talents for a purpose and that the purpose has a process and most of all, the process is the purpose. The purpose is to know God and to make Him known, and to glorify Him forever. This is really only achieved when spend time with Him. You will begin to understand what it means to live a life of Faith, depending on Our Lord for provision. He will provide for you in ways you can’t imagine. He will open doors and give you access you never dreamed possible. He wants to bless you and your family.

God said to the apostle Paul in 2 Corinthians 12: 9 “ And he said unto me, My grace ( the devine influence upon your heart and it’s reflection in your life) is sufficient ( raising a barrier to lift you up-to sail away) for you; for My strength ( My miraculous power of abundance and mighty wonderful work) is made perfect in weakness. Most gladly therefore, will I rather glory in my infirmities that the power of Christ may rest on me”. When you get to know Christ, you will be inspired to live as Paul lived. His life was settled. He wasn’t tossed about, by the things of the world. You can live a life of joy and peace.

The Lord bless you and keep you, the Lord affirm you as you go forth with purpose. The choice is yours.
